What is BALOO?

BALOO is Basic Adult Leader Outdoor Orientation. It introduces Cub Scout leaders to newly expanded opportunities for pack overnight camping. Whether you're an experienced camper or an outdoor novice, BALOO has something to offer you!

This is an energetic training that covers everything you need to know to plan and run a pack overnigher. It's more than just camping—it includes ideas for outdoor activities, games and ceremonies; information on selecting and using camping equipment; how to run a campfire program; and hands-on Cub Scout cooking demonstrations! In short, everything you need to know to make your pack overnigher a fun, successful event!

Why do I need BALOO?

Packs may hold overnight campouts, but at least one adult leading the outing **must** be BALOO trained. (*Guide to Safe Scouting, p.31, 4/2015 Revision*). You do NOT have to be a registered leader to attend... just interested in giving your Cub Scouts a great campout experience. Come learn better ways to prepare for a fun and safe outing that everyone (including YOU) will enjoy! (BALOO does not replace OWLS (WOLT) which is mandatory for all Webelos Leaders. OWLS does not replace BALOO; they are not interchangeable.)

What Else?

Lunch will be provided. (You will prepare it!) You will also receive a certificate of completion and a "trained" card! Wear your uniform (if you have one) and comfortable shoes, and bring a hat, note taking materials, Scout Spirit and a smile! Dress appropriate to the weather—parts of this training take place outdoors!
